Termite Inspections

ACE Pest Management technicians will be coming through Bobcat Villas beginning at 8am on March 31st. Please allow access to the technicians so that they can properly inspect your home. The inspection will take 10-15 minutes. If for any reason you or your tenant will not be able to provide access to the villa during the stated inspection period, there will be another day when the technician will return to conduct inspections on any unavailable villa.

Reminder of Bobcat Villa Rules and Regulations

This month, I would like to remind owners of the following: The Pool area is a shared resource and is enjoyed by all our villa residents and guests. Can I please remind everyone that after you have had your fun at the pool, PLEASE return all the pool furniture and pool noodles, etc. to where you got them, so it is ready for the next people to use. PLEASE also ensure that the bathrooms and other doors are locked. If you have guests staying with you, can you please make sure that they are aware of these rules. This will make sure that everyone can enjoy our pool and surroundings. **Do not** give bathroom or gate codes out to anyone who is not a Villas resident or guest.

Upcoming Social Events

The Bobcat Villas Social Committee would like to say "Thanks" to all who attended the annual Chicken Dinner Fundraiser. We had a sell out! And more importantly, we all

had a good time! We made a profit of \$297, which will help us to purchase supplies and items for future social events. We appreciate your support and generosity!

Thanks, too, for the donations of bottles of wine for the Sip & Social. We had 23 villa residents in attendance and we all had a great time – just relaxing and enjoying conversation with our neighbors.

In April, we will be hosting the Sunday Sundaes. So come on down to the clubhouse on Sunday, April 12 at 2pm and fix your ice cream sundae. If you can, it is appreciated if you sign up for all events as it helps us tremendously in planning the quantity of food and supplies needed. Your visitors and guests are welcome, but please include them in your sign-up.

The Social Committee would also like to send out a huge "Thank You" to Jackie Hall for her volunteer hours with the newsletter and calendar. These two publications are a great resource for letting all of the residents know what the social events are. And also a huge "Thank You" to Heather Hoffman for handling the Villa Messenger. The reminders and information provided is very informative. Thank you, thank you, thank you! We have many residents here in the Bobcat Villas to appreciate!!

Up at the Bobcat Community Center you can take part in other activities. Bingo takes place on the first Monday of each month and if you feel lucky then come along and have some fun.

If you are interested in crafts, then the crafts group meet every Thursday from 10am to 12. Come along and get some inspiration for new projects.

A new activity up at the main pool is the Open Aqua Aerobics. This takes place every Saturday at 9am, so if you are looking for some gentle exercise, this may be an activity that you would like.

Finance Committee

The Finance Committee are looking for volunteers to help on the committee throughout the year. If you are interested in volunteering, then please contact George Baillie at lynbaillie@aol.com or call him at 812-322-4912.
